- Safety in the workplace, parking garage, hotel, or home alone

___ Personal Defense Devices

- Key chains and other impact devices
- Audio warning devices
- Pepper Sprays
- Stun guns
- Firearms

___ Safety While Traveling

- Safety guidelines for planning a trip
- Guidelines for safely reporting observed suspicious or criminal behavior
- Safety strategies for RV traveling, cross country trips, and casino gambling

Audio/Visual Equipment available for our use: ___ Screen ___ Computer ___ Power Point Projector

ACCJT Presentation Development Questionnaire

Citizen Pepper Spray Certification

This PSE training course has a specific number of required hours for certification. This course uses a lecture format and the presentation is augmented with a demonstration of inert pepper spray.

Length of the presentation: Three Hours – required for certification

Listed below are the topics and their subtopics offered in this presentation.

Introduction to Pepper Based Defensive Sprays

- What is Oleoresin Capsicum (OC)?
- What is an OC Aerosol Restraint?
- How effective is pepper spray?
- The history of pepper spray

Physiological Effects of Pepper Spray

- Target areas for effective deployment
- The effects of pepper spray on the body
- The duration of the physical effects of pepper spray
- Guidelines for personal decontamination of an accidental pepper spray exposure
- Guidelines for environmental decontamination of an accidental pepper spray exposure

Choosing a Pepper Spray

- Types of projectors
- Types of Carriers
- Heat Rating
- Maintenance
- Propellants
- Storage

Lawful Use of Pepper Spray

- Levels of Menace
- Threat Assessment
- Citizen Force Continuum
- Prerequisites of Force Escalation
- Legal guidelines for use pepper spray in self-defense
- Post self-defense protocols – reporting the incident to the police

Audio/Visual Equipment available for our use: ___ Screen ___ Computer ___ Power Point Projector

ACCJT Presentation Development Questionnaire

Narcotics Awareness and Recognition for Citizens

Please fill out this questionnaire and return it to your ACCJT PSE Coordinator. The information you provide will assist in the preparation of your requested public safety presentation.

Length of the presentation: One hour ___ Two hours ___ Three Hours ___ Four hours ___

Listed below are the topics and their subtopics offered in this presentation. Please place a check mark next to the topics you would like included in the presentation.

___ Narcotics Recognition

- Narcotics
- Stimulants
- Hallucinogens
- Designer Drugs
- Aerosol Solvents

___ Signs of Impairment and Usage

- Marijuana
- LSD and Ecstasy
- Cocaine and Meth
- Heroin and Opiates
- Inhalants – Paint/Glue/Solvents

___ Signs of Drug Activity

- Paraphernalia
- Packaging material
- Indications of dealing

___ Indications of a Marijuana Grow

- Indoor grows
- Outdoor grows
- Dangers and booby traps

___ Indications of a Meth Lab

- Safety protocols to follow if a lab is discovered
- Types of meth labs – residential and mobile
- Equipment, chemicals, household products
- Health dangers and fire hazards

Audio/Visual Equipment available for our use: ___ Screen ___ Computer ___ Power Point Projector
