

Defensive Tactics

Hours: Eight

Seminar Synopsis:

This seminar provides effective inservice corrections and law enforcement defensive tactics training. Multi-officer control tactics and transitional integrated force option training is emphasized. This inservice training program offers instruction in the following areas:

- Neck restraint
- Ground defense
- Expandable baton
- Personal weapons
- Pressure point tactics
- Cross gender searches
- Counter assault tactics
- Physical control tactics
- Edged weapon defense
- Impact weapon defense
- Arrest and control tactics
- Effective simulation training
- Joint manipulation techniques
- Handgun retention and disarming tactics
- Cooperative and high risk handcuffing techniques
- “Pat and Frisk” and intrusive clothing search techniques
