

Success Without Promotion

Hours: Eight

Seminar Synopsis:

This seminar is not just a presentation; it is a discussion of the strategies criminal justice officers can adopt to find fulfillment, motivation, and success in their careers without a promotion within the department. In this dynamic presentation, the following topics will be discussed:

- Stop fighting the system
- Losing the “why me” mentality
- Taking control of your destiny
- Creating professional opportunities
- How being a cop sets you up to fail
- Finding fulfillment in a job well done
- Understanding organizational cultural
- Dealing effectively with department politics
- Taking advantages of professional opportunities
- Understanding why management does what they do
- The fatal career damaging or ending mistakes/attitudes
- Methods for effectively coping with career setbacks, disappoints, and discipline
- Guidelines for taking personal control and responsibility for your career success
