

Survival Skills Instructor Course

Enrollment Cap: Twenty-four

Applicable to: Corrections, Law Enforcement and Public Safety Officers

Course Synopsis:

The Survival Skills Instructor Course is our most popular instructor development program. It consolidates four separate instructor courses in one complete instructor development program. Participants who successfully complete the course receive an instructor manual, PowerPoint presentation, and ACCJT instructor certification in all four-instructor modules.

The following are the four instructor training modules:

- Counter Assault Tactics
- Confrontational Simulation
- Police Tactical Folding Knife
- Weapon Disarming and Retention
